AIM Duo

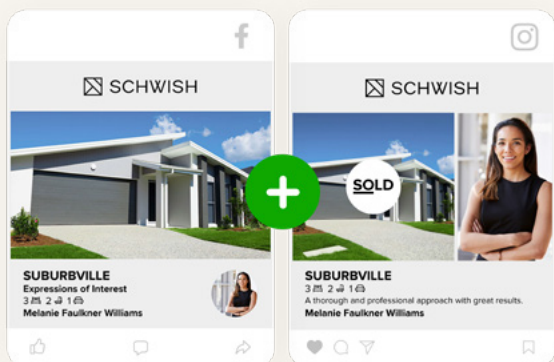

Sold Digital DL

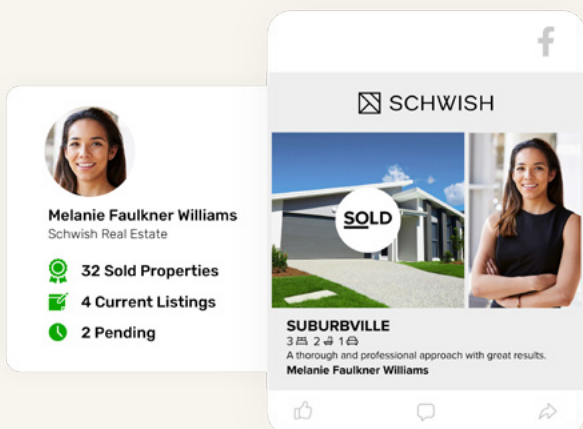

AIM For Sale Solutions for Residential Property

AIM gives your seller far more exposure showcasing the property on Facebook, Instagram and thousands of websites to ensure the property is seen by the right potential buyer.

Unlock more value with AIM Duo for elevated real estate success!

AIM Duo seamlessly bundles AIM Residential for Sale and Sold Digital DL™ products into one offering, presenting a comprehensive solution that helps you sell more properties and boost awareness in your local area.

Sold Digital DL. Sell yourself.

Sold Digital DLs are a revolutionary, low-cost, solution to let the neighbourhood know your sales successes. Reach more people, including those in your unique retargeting audience, more affordably with a much lower environmental impact.

Buyers use the internet & social media extensively when buying property

AIM digital marketing is a smart investment for any property seller and agent.

Using the world's most powerful marketing platforms, it helps attract more buyers to your listing and creates increased awareness to potential sellers

Unique artwork system creates beautiful ads that are bespoke and on-brand

AIM is a leading feature packed multi-channel advertising solution.

Target active buyers, optimised for your property location & type.

Find passive buyers, who represent a substantial percentage of all sales

Advanced ad targeting powered by AI technology including retargeting & special interest targeting.

Builds your exclusive remarketing audiences (not shared with your competitors like most other solutions.)
